ARTWORK SPECS

Color: CMYK/process colors only. **NO SPOT COLORS.**

All spot colors must be converted to CMYK. Color quality is not guaranteed if spot colors are used. No built-in black type.

Fonts: Outline or embed all fonts in the PDF

File Format: High-Res PDF

Resolution: All advertising materials must be at least 300 dpi and submitted at 100% size.

Bleed: Refer to SIZES for the different bleed-size ads. A 1/4" bleed is required for each side that bleeds. **PLEASE CHECK THE LIVE AREA.** Ads sizes that don't bleed will have a 1/2" border around the ad.

Live area: To prevent info being trimmed off, all text, logos, etc., must be at least 1/2" in from the edge of the ad.

Registration marks preferred.

PDF Files: Save with all fonts and images embedded. Save without color profiles. Once PDF is created, please check the bleed — see below for BLEED specifications. If submitted artwork does not meet specifications a new file will be requested.

Trapping: Save files without trapping preferences.

Color Profiles: Whenever possible — do not embed or include color profiles.

REGULATIONS

Agency Discounts: Due to the affordable rates offered by Biomass Magazine, we do not offer agency discounts.

Invoices: Rendered at time of issue mailing.

Short Rates/Rebates: Advertisers will be short-rated if, within 12 months from the date of the first insertion, they do not use the amount of space upon which their billings have been based. Rates may be adjusted (lowered) during the course of an advertiser's insertion order agreement, if the advertiser has used sufficient additional space to warrant a lower rate than that at which their billing began.

Rate Protection: Rates are effective for all advertisers throughout the duration of this media kit. Rates will never increase during the term of an advertiser's billing agreement, unless the advertiser chooses to change the plan by, for example, increasing the size of an ad.

Publisher's Protective Clauses: Deliberate attempts to simulate editorial format in an advertisement is not permitted by Biomass Magazine. The publisher reserves the right to insert the word "advertisement" when, in the publisher's opinion, an advertisement resembles editorial material. Liability for all content of advertisements printed (including text, representations, illustrations or any sketch, map, label, trademark or other copy-righted matter) will be assumed by advertisers and their agencies. The publisher reserves the right to reject any advertising that does not conform to publication standards. Biomass Magazine is not liable for delays in delivery and/or non-delivery in the event of an Act of God, action by any governmental or quasi-governmental entity, fire, flood, insurrection, riot, explosion, embargo, strikes whether legal or illegal, labor or material shortage, transportation interruption of any kind, work slowdown, or any condition beyond the control of the publisher affecting production or delivery in any manner. Biomass Magazine is not responsible for quality of reproduction when materials received do not conform to specifications or when materials are received beyond closing date.

Cancellations: No cancellations will be accepted after closing dates. Notification of cancellations prior to closing date should be in writing (e-mail or fax acceptable).

Method of Distribution: U.S. Postal Service-Periodical

Subscription Prices: Subscriptions to Biomass Magazine are now free of charge to everyone with the exception of a shipping and handling fee for any country outside the United States. Subscriptions are available online at www.BiomassMagazine.com. Please contact our subscriptions department for subscription assistance at (866) 746-8385 or service@bbiinternational.com
