## North American Renewable Natural Gas Map

The 2024 North American Renewable Natural Gas Map, presented by the RNG Coalition and produced by Biomass Magazine, lists all renewable natural gas (RNG) facilities that are operating or under construction in the U.S. and Canada. Details of more than 200 projects on the data-rich, color-coded map include operational status, city, state/province, feedstock, whether the project is injecting into the pipeline, and RNG end use.
